

WE ANIMALS LEGACY SOCIETY

YOUR PROMISE TO KEEP TELLING ANIMALS' STORIES INTO THE FUTURE

Jo-Anne McArthur, We Animals

You can help build a legacy of justice and compassion with a gift in your will to We Animals. Your generosity will help ensure the future of our advocacy through photojournalism and make a difference for animals for generations to come.

Your gift will ensure the continued mission of We Animals - to bring visibility to hidden animals worldwide through compelling photography and film. Our work documents the animals who are used for food, fashion, entertainment, work, religion, and experimentation. There are many ways to leave a gift in your will which will have a lasting impact on the lives of countless animals.

A gift can be left to We Animals in several ways such as:

- Designating a specific dollar amount or asset
- Leaving a percentage of your estate
- Gifting the balance or residue of your estate after family and friends have been taken care of
- Naming We Animals as the beneficiary of your retirement plan or life insurance policy

No matter what gift you choose to leave in your will, you can know that you will be making a difference well into the future. We Animals recommends consulting a solicitor or financial planner when putting together or changing your will. We are happy to discuss with you how your gift will be used.
